Patrolman McCumber reported that the retaining wall of the concrete ditch off of Stevens St, on the property owner’s side, blew out. The State and County indicated that wasn’t theirs to fix. Will try to do something temporarily to shore it up and possibly get a estimate of cost to repair. However, it is on the owner’s property and not within the Town road right-away. Removed trees off of Axlen Rd that blew down. Worked on the 96-4800 & 7710 tie-rods, repaired the loader bucket and purchases filters. Continuing to haul gravel for the Town residents was discussed with McCumber and will become an agenda item for another meeting. Patrolman McCumber would like to continue to work the same hours as the County. He likes to work the ten hour days so more can be accomplish after moving equipment to the project site.
